

Annual Sustainability Report

An annual sustainability review meeting has been conducted at LUC VETS BV on July 14th 2023.

The following points were reviewed:

1. Relevant functions have been trained on all RJC Standards.
2. All our Business Partners are screened with regards to AML legislation, Human Rights due diligence and Bribery issues, no major risks have been assessed.
3. We have implemented a Human Rights Due Diligence review and no adverse Human Rights impacts have been observed for the past year.
4. We have started to roll out our implementation of the COP7 standard in line with RJC COP 7, our policy and procedures.
5. No direct sourcing from artisanal and small-scale mining has occurred in the past year.
6. The security in our offices is maintained at a satisfactory level and no security breaches have been observed.
7. We understand the need to back-up any provenance claims with supplier guarantees, to date no provenance claim.
8. No violations to labour rights and working conditions have been observed.
9. There have been no Health & Safety occurrences in the period under review.
10. No breach of product integrity has been observed and all procedures have been followed

No other risks have been identified.
